Conclusion

Tatiana Bazzichelli & Lieke Ploeger · Building Networks of Trust.... 355

Afterword

Theresa Züger · The World We Think Is the World We Get..... 367

“The persecution of my daughter for her release of the truth, has destroyed my belief in the American system.”

**BILLIE JEAN
WINNER-DAVIS**

“We are in a new era
where in the name of
national security
everything can be
transgressed.”

LAURA POITRAS

The background features a complex composition of overlapping geometric shapes in vibrant colors like orange, purple, teal, and yellow. A prominent black triangular shape is overlaid on the left side, containing the main text. To the right, a network diagram of white dots connected by thin lines is visible against a dark background. On the far right, a portrait of a woman with long brown hair is shown, looking directly at the camera.

“Tracking users’
online activity has
become a major
business model in
the last decade”

JOANA MOLL

“ One of the biggest problems here is that the public attitude appears to be increasingly against journalism.”

BASTIAN
OBERMAYER

“ Racism and the identity crisis of White supremacy are the greatest dangers threatening United States today.”

DARYL DAVIS

“The essence of
whistleblowing
is narrative.”

BARRETT BROWN
